WHO WE ARE

RAVE FOR GOOD E.V.

Rave for Good e.V. is a Berlin-based non-profit organisation connecting electronic music culture with social impact. We organise charity rave events where proceeds are donated transparently to carefully selected non-profit causes.

Founded in Berlin. Rooted in the community.

THE FORMAT

DAYTIME OUTDOOR CHARITY EVENT

- Saturday or Sunday
- Between May 23rd and the end of September 2026
- Approx. 200–250 guests throughout the day
- 14:00–22:00 outdoor
- 22:00–04:00 optional micro floor / shed afterparty

PREFERRED AREAS:

- Garden / Beachfloor / Wintergarten / Circus Tent

THE CONCEPT

ONE EVENT. ONE PURPOSE.

We would love to collaborate with About Blank on a charity-focused event that genuinely fits the DNA of both sides: musically uncompromising, culturally authentic, inclusive, and community-driven.

100% of ticket revenue would go into a jointly agreed donation fund.

WHY ABOUT BLANK

VALUES THAT MATTER.

About Blank represents independence, cultural integrity, and a strong commitment to respectful community spaces. That is exactly why the venue feels like such a natural fit for us.

We have friends connected to the Staub community who spoke very highly of the venue and encouraged us to reach out directly.

If there is mutual interest, we would love to build a longer-term relationship together — ideally around one event per quarter.
